# About Us

Why spend your precious time sourcing and coordinating multiple suppliers, when you can get multiple services for sites from Supply It.

- 1 Number**
- 1 Friendly Service**
- 1 Simple Invoice**

Over the years, the core of our service and reputation has evolved from a local skip hire company - The Skip Network Ltd, established in 2008 - based in Cumbria, to a nationwide waste and site services broker, supplying skips, plant hire, concrete and accommodation solutions plus manages emergency waste clearances and much more.

The Skip Network Ltd looked after many shopfitting, construction and waste management companies and grew alongside these to offer our friendly and efficient service. As we grew, customers were relying on us more to support them and the question arose... can we offer them more? Of course the answer was yes!

## And Supply It Site Services was born

The result of the emergence of Supply It meant we could also offer a multitude of services to the one site. We were not limited to only providing skips but we could offer the fencing to secure the area around it, portable toilets, portable accommodation solutions including; offices, mess rooms, dry stores, you name it, we supply it.

## Our reliability resulted in customer loyalty

Customer loyalty and repeat business was a consequence of our reliability to provide anything from concrete, grab hire, man and van services to aggregates anywhere in the UK. We nourish our rapport with our customers and suppliers and endeavour to maintain our `prestige status.

Our team have worked hard to achieve our reputation of delivering a fast, friendly and reliable service. Directors Mark and Paul are proud of their team and believe that working in a happy and fun office environment influences the morale and work ethic of the team, ensuring they excel in their roles.

Company Director

**“Local knowledge coming to you from the fells of Cumbria, but spanning to support you nationwide”**

# Our Services

Here are some of services that we have been supplying to our customers nationally over the years, one of our greatest assets as a business is our ability to go the extra mile, and keep it simple. We have earned our reputation through hard work, and never failing to meet a challenge. If you still can't find what you are looking for, please do not hesitate to get in touch. You name it, we supply it.

## Concrete

All types of concrete available from screed to stronger mixes suitable for signage applications.

This can be supplied in barrow mix loads to larger quantities (volumetric) suitable for all needs. Pumps supplied too if needed.

## Emergency Waste Clearances

We offer all shopfitting companies the option of Man & Van style clearances as an extra or alternative to skip hire.

Useful when space is at a premium on site and extra waste has been generated.

## Skip Hire

All sizes from 3 yard chain lift skips to 40 yard roll on roll off containers.

All available nationally with quick turnaround.

### Fork and Scissor Lift

We can provide forklifts operated by gas or electricity and for internal and external use, to suit your needs. These can be provided nationwide with a licenced operator however if hiring without an operator, please provide appropriate paperwork to show you are insured to operate it.

### Grab and HIAB Hire

Grab hire provides an alternative to skip hire, it is a simple solution for the removal of industrial waste.

HIAB lorries are used to lift and transport heavy objects or materials and remove the need for forklifts and cranes.

### Plant Machinery Hire

Operated or un-operated, we can supply a range of site plant machinery nationwide through our extensive supplier network. Whatever you need to get the job done, we can supply it for you.

Please note if you require hire without a licenced driver you must provide relevant documentation to prove you are insured to operate the machinery.

### Road Sweeping

When operating on construction sites it is essential to keep surrounding roads clear as well the access to and within your site. Upon job completion site clean up is often required to tie up the project and show off your great work.

We offer a multitude of road sweepers in different sizes and for different purposes.

## Fencing

All types of fencing available to hire!  
Suitable for surrounding skips and secure compounds.

## Temporary Accommodation Solutions

Anything supplied from single toilets to full site set ups including offices, mess rooms, toilet blocks, store rooms and more!

## Transport and Delivery

Project management can be a logistic nightmare. If you require bin deliveries or the transportation of equipment, then look no further.

We can use our man and van system or forty tonne trucks to move your equipment efficiently across the nation.

## Aggregates

We supply a wide range of aggregates nationwide from decorative to construction materials. Aggregates can be purchased by the tonne and we can deliver up to 8 tonne in a skip or 18 tonne in a tipper.

# Shopfitting Sectors

We collate many different resources to provide one simple solution, relieving our customers of the time-consuming tasks of finding suppliers, equipment, filling in paperwork and planning logistics. Providing one number, one service and one invoice for our customers, ensures we can all fulfil the rigorous expectations of the client.

Think about us for your next project and get in touch to see how easy we can make it for you.

Our unique approach is to offer you a single port of call, simple invoicing on specific sites and multiple hired in services, should make your life easier when working on various sites all over the UK.

Imagine ordering all your Skips, Accommodation, Concrete, Fencing, Grab & HIAB, Plant Hire, Sweepers and many more from one number! You name it, we Supply It!

## Shopfitting

Shopfitting can be a very disruptive and multi-faceted project but we have built our business around providing shop fitters with first class assistance, offering a comprehensive range of managed services allowing you to get on with what you do best.

One of the main sectors we strive in is the Shopfitting industry, offering many services to main and sub contractors

We have worked with many over recent years who have worked on many sites from the 'Build the best' contract with Travis Perkins to Centre Parcs, Euro Garages, Wickes, John Lewis and many Spars, Costcutters, Lloyds Pharmacy amongst others.

## Credit facilities available - 30 day accounts offered to all new customers (subject to credit check)

### Safe Contractor Approved

SafeContractor is a market-leading health and safety assessment scheme. It was developed to avoid the need for individual contracts requiring re-assessment of a supplier's health and safety competence.

Contractors, companies and individuals applying for work with public and private sector organisations must meet required health and safety standards to be awarded a contract.

### National Association of Shopfitters

We are proud to announce that we have now become an Associate Member of the National Association of Shopfitters and Interior Contractors!

Our commitment as a member is to offer you competitive rates; efficiency and responsiveness! Please give us a call to discuss this further.
